

SPECIALITY TOOLS & EQUIPMENTS

TPM POLICY

The TPM Policy of Speciality Tools and Equipments is designed to achieve total customer-satisfaction and excellence in the business by eliminating all major losses and wastages to maximize overall plant effectiveness.

We will continuously strive for improvement of product, process and people for enhanced productivity, quality, environment, health and safety.

This shall be achieved by upgrading knowledge, skill and morale of employees to foster total involvement with dedication by practice of TPM as a way of life.
